Fiberglass Entry Doors

Introducing the

## *Belleville™ Fiberglass Door Collection,*

shaping grand entryways with great looks and maximum design flexibility

The Belleville™ Fiberglass Entry Door Collection from Masonite demonstrates superior beauty and architectural design with maximum flexibility. Belleville's new high-definition panel profile reflects authentic wood door beauty and design.

### Features:

- New high-definition panel profile
- All designs are offered with a stainable wood-grain texture or paintable smooth surface.
  - ❖ The surface of a Belleville Textured Door produces an authentic wood door appearance by utilizing Masonite's new, variable depth, wood-grain texture that finishes easily and beautifully.
  - ❖ Belleville Smooth provides an extra smooth surface for painting.
- The design offering includes most traditional panel configurations as well as other unique options.
- The Belleville line is compatible with most industry standard glass inserts.
- Square-edge design and energy-efficient core
- No denting or rusting and resists warping, cracking and splitting
- 6'8" and 8'0" heights, various widths up to 3'0"
  - ❖ For size chart and availability, please see back cover
