

Royal Mahogany™ Builders' Series Doors

Introducing the Royal Mahogany™ Builders Series Door... The Builders' Series is less expensive than our premium line. With a few subtle changes in the construction and moulding, the Builders' Series is able to meet a tighter budget. The Builders' Series is also available in all six premium glass designs.

Builders' Series

BG-EG-301-OVR

BG-EG-301-SQ

BG-EG-701-A

BG-EG-101-OVR

BG-E-600

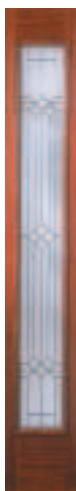

Product Features:

- Unfinished mahogany only
- 1-year limited warranty
- Engineered stiles and rails
- Mortise and tenon joint construction
- Solid mahogany panels
- Triple-pane insulated glass
- Raised applied moulding on both sides (less ornate profile than premium series)
- Mahogany lumber selected allows more natural wood characteristics
- Finger joint edge band on stiles

Prehung Specifications:

- Primed or matching frames with brickmould applied
- Q-Ion weather stripping applied
- Aluminum sill with an adjustable oak riser
- Standard double bore for lockset and deadbolt
